 - The quality and competitiveness of the starters.
 - The scores obtained by the athlete/horse combination at previous relevant FEI international championships.

 - The reasons and justification behind any incomplete competitions due to elimination, withdrawal and/or retirement during the period up to and including the Olympic Qualifying period.

 - Once a horse has been included in the Nominated Entries and the Final Sport Entries, athletes must ensure that the Team Vet is informed immediately of any changes/treatments taking place in the horse's veterinary plan. Once an Athlete has submitted a Register of Intent form, they are expected to facilitate open communication concerning their horse's management between their own veterinary surgeon and the Team Vet to support the selectors in selecting the Squad in line with the Objectives of this policy.
 - The selection process may include the taking of bloods for pre-Games testing including pre-arrival testing.
- c. Fitness of the human athlete to compete to their full potential:
- An athlete must declare to the PM or WCP Lead of Athlete Health any current or ongoing physical or mental reason that may impair their ability to perform at their peak on any given day in Paris. This information will be held in the strictest confidence.

However, it is noted this is done confidentially and without any detail of the issue without the athlete's explicit consent.

For the avoidance of doubt, the Selectors reserve the right to nominate the four (4) athlete/horse combinations to travel to the Games on a “no order” basis, which shall mean that – notwithstanding that one combination will necessarily need to be nominated as a reserve for sport entry purposes – the decision as to which three (3) athlete/horse combinations will actually be selected to compete may be deferred until arrival at the Olympic Games and up to two (2) hours before the start of the Grand Prix as set out in Clause 12 below.

11.3. The Chief Selector will inform the athletes of the decisions of the Selectors. 13. De-selection

- 13.1. Between the announcement of the Squad and the date of Final Sport Entries on 8 July 2024, the final decision as to whether to de-select, whatever the reasoning, will be made by the Selectors in consultation with the PM, PD and Team Vet.
- 13.2. After the Final Sport Entries on 8 July 2024, and prior to departure to the Games, de-selection and replacement decisions for the Squad will be made by the Selectors in consultation with the PM and PD, subject to approval by the BOA.
- 13.3. Once departure to the Games has commenced, all selection and de-selection decisions will be made in accordance with para 12.1 of this policy.
- 13.4. De-selection will normally only occur in exceptional circumstances (such as injury or illness to athlete or horse, or a performance issue that indicate a combination is unlikely to contribute to the objectives of the policy, or as detailed in 13.5 below). At all times such decisions will be in accordance with the IOC Late Athlete Replacement Policy (to be published).
- 13.5. Selected and Reserve athletes must continue to meet the eligibility requirements and adhere to all reasonable training, preparation, quarantine, media, and team meeting requirements, as well as the requirements outlined in the British Equestrian Team Charter, Athlete Agreement, BEF Rules, BD Code of Conduct and the BOA Team Members Agreement. Failure to do so may result in the athlete and horse combination being de-selected.
 - 13.5.1. In the event that an athlete ceases to meet the eligibility requirements, or any breaches or alleged breaches of these agreements, rules and policies are under investigation by BD, BEF or any other statutory authority, the CEOs of BD and BEF along with the PD will consult with the BOA to collectively determine and agree whether de-selection is the appropriate course of action, regardless of whether the relevant process has been concluded or any other risk management or disciplinary sanctions have been imposed at that point.
 - 13.5.2. The Athlete will be notified of any review of their selection under section 13.5.1 and will be given the opportunity to make written representations within 72 hours of notification. The de-selection decision, together with any athlete submission, will be subject to final review by the Independent Chair. The outcome of this process shall be final and not open to appeal.
 - 13.5.3. Any de-selection decision made within 72 hours in advance of the team travelling from the UK to the point of competition will be deemed final and not subject to further review.
- 13.6. Athletes and horses are expected to maintain fitness and performance. Once an athlete/horse combination has been selected, they must maintain their form and fitness in a suitable training and competition programme, to be agreed with the PM. Failure to follow this programme or to discuss proposed amendments with the PM, could lead to the athlete/horse combination being de-selected.

- 13.7. At any time after announcement of the Squad, in the case of an athlete being considered medically unfit to compete, a recommendation will be made by the PM to the relevant decision-making body (Selectors or BOA) following an examination by a World Class Programme-approved Human SSM Practitioner and in consultation with the PD. This may involve the athlete being asked to ride certain dressage movements on their selected horse. Being unfit to compete is best described as “not being able to ride their horse in a manner which allows the athlete to produce the standard of performance at which they were selected”.
- 13.8. At any time after the announcement of the Squad, in the case of a horse being considered unfit, due to veterinary reasons, to compete or unable to compete to the performance standard anticipated, a recommendation will be made by the PM to the relevant decision-making body (Selectors or BOA) following an examination by a World Class Programme approved veterinarian and in consultation with the PD.
- 13.9. De-selection of a Squad member may occur at any time in line with the terms set out in this policy. The decision to deselect an athlete is not open to appeal; however, a written representation is permissible up until 72 hours prior to team travel, in accordance with clauses 13.5.2 and 13.5.3.

- 15.2. An appeal must be made by submitting notice in writing to the Chief Executive of the BEF, in accordance with the BEF Selection Appeal Rules (the “Appeals Process”), within 48 hours, or two working days, of the relevant athlete being informed of the Selectors’ decision.
