Horse Simulator

The Racewood trot simulator belongs to Kesteven Rideability. This is an ideal way for the rider to acquire the basics of riding the walk and trot in a safe, controlled situation. The simulator can also prove beneficial for the experienced rider who wishes to improve and strengthen their riding position.

Karen is a qualified BHS II and trains Emma Sheardown, a member World Class Para Dressage Squad.

Karen is happy to teach all levels of rider.

Rider's Name.....

Email:.....

Mobile phone number:.....

Preferred time
