

**SENIOR HOME INTERNATIONAL
OCTOBER 2009**

Congratulations to all of our teams who have just returned from Scotland!! We had a fantastic weekend in Rowallan, did not disgrace ourselves in the Karaoke, had the best decorated stables and the best turned out team! The weekend started with the trot up on Friday and the East all looked fab - perfectly turned out horses and smart efficient riders. Several comments were made over the weekend on the high level of turnout and the professionalism of our teams (as well as how friendly they all all!) so your riders did you proud! Massive congratulations to: Kerry Allen, Diane Coxon, Tammy Ruffles, Sian Sheridan, Laura Mansfield, Trevor Downham, Addie Garrett, Louise Clarke, Sharon Keable, Slyvia Josling, Michele Wyatt, Rachel Stott, Emma Wakefield, Vicki Scott and Amanda Edwards and commiserations to Charlotte Charnick, whose horse went lame two days before the competition! We had two teams in the top 12, and several individual placings. We also had an individual champ! So well done especially to Sian Sheridan - Novice Champion! As ever, big BIG thanks to our wonderful Rider Rep and Team Trainer Paul Hayler! As usual, Paul did not make it an easy weekend for himself, having driven to France Wednesday, driven horses to Biarritz that day, done the trot up and warmed Bobby up competing there Friday morning, then flown back to the UK and on to Scotland on Friday night in order to warm all our riders up! A long and very tiring weekend, but great fun - and well done to the Scots who were the Champions - thanks for a great time and see you down here next year!
