Judging the BYRDS Rider tests – Training days for Assessors/Trainers

To ensure that all judges and assessors work along the same lines, it is important that everyone has the opportunity to discuss and share their experiences, to encourage them to judge on a consistent level.

It is essential that BYRDS Rider Test Judges/Assessors attend a training day at least every three years.

There will be 4 held this year alongside BYRDS Regional Training/Competitions which we hope will be accessible to all.

The dates and venues are:-
