NORTH AND WEST RIDER SKILL TEST CHAMPIONSHIPS

The rider skill test championships are open to all North and West BD Youth riders who have been squad assessed since 1st December 2021

Riders must enter both classes relevant to their squad to be considered for the individual rider skill test championships. The championship winner at each level will be decided on by a points basis. The final position in each class will determine the points awarded ie 1st place = 1 point, 2nd place = 2 points and so on. The points achieved for the two classes will then be added together, the lowest total being the overall winner. If riders are tied by placings the rider position mark will be used. To win a championship the horse/rider MUST compete in both classes at the appropriate level..
