

Executive Summary
Judges Committee Meeting (Via Zoom)
04 April 2023

1. The content for the freestyle module for the Judge Education system was reviewed by committee, final sign off will take place later in April with dates going live thereafter.
2. As part of the scheduled periodic ongoing and improvement process, a working party was identified to review and refresh some elements of the judge education materials and examination system.
3. Committee discussed the language and terminology used in the collectives. The committee will consider some of the suggestions following the meeting.
4. Fast tracking criteria and reinstatement policies were discussed. The reinstatement policy has been reviewed and committee have confirmed the terms are still appropriate, with no changes made. The fast-track policy will be considered as part of the ongoing development and improvement work conducted by the working party.
5. Feedback from the Principles of Judging seminar in March was discussed, with further feedback to be consolidated and analysed from the post event online survey. Initial feedback indicated the inclusion of coaching and training elements was well received.

Date of next meeting: 26 July
