Please identify up to five programmes, groups, and/or sessions that you have coached in the last 3 years that are aimed at grassroots riders. You should identify the range of grassroots sessions that you are involved with and could be used to demonstrate some of the high-performing coach criteria listed on the programme information document.
Please also list the name/s of organisers or people who know your work with these groups

Please outline your involvement in personal development activity over the past 3 years:

What has been your major learning as a coach over the past year?

What would you want to achieve from being involved in the Programme?

What specific coaching skills will you want to work on through the programme? (These need not necessarily be '*weaknesses*' but instead areas of coaching that you would want to focus on and improve).

Name of someone from your discipline who could verify your work as a coach
e.g. Area/regional rep, Development Officer, Senior Coach

Address and contact details of person named above (email and phone)
