

Regional Final FAQs

How do we know if we have qualified?

At the end of the qualification period on 31st August, the top 15 Open and top 15 Under 21 teams in each region of the final leaderboard publication qualify for the Regional Final. Qualification emails will be sent out to the Team Captains of all qualifying teams. *Please note that qualification criteria is different for competitors on the Isle of Man and the Isle of Lewis.*

What happens if there are tied leaderboard placings?

In the event of a tie of team placings on the leaderboard, the tie will be split by adding together the team totals for the team's five best placings. If there is still a tie, the team total for the team's sixth best placing will determine which team takes the lead and so on. Where teams have competed fewer than five times, points accumulated over fewer events will determine a higher placing.

Which Regional Final do we go to?

Your team must attend the Regional Final for your allocated Team Quest region – if you are listed on the Central Team Quest leaderboard, you must go to the Central Regional Final!

What happens if a team can't go to the Regional Final?

If you receive a qualification email and your team cannot make it to the Regional Final, email teamquest@britishdressage.co.uk and let us know as soon as possible. If a team cannot attend the Regional Final and your team is placed lower on the leaderboard, you may receive a pass down qualification! This will be emailed to your Team Captain.
