

RoR ELITE PERFORMANCE AWARD for DRESSAGE

The format for this fantastic incentive, which recognises former GB raced horses competing at higher levels in Affiliated dressage, has change for 2018. Previously judged on BD points gained at certain levels, the qualification criteria now encourages riders and connections of such horses to nominate their own horse for the Award. If you feel that your horse deserves the recognition and has demonstrated its adaptability and versatility to the higher training specifications needed to be successful at Medium level or above, this is the Award for you. The independent judging Panel will consist of a top Dressage Judge and Senior Executives from RoR and British Dressage.

Eligibility: For RoR registered horses who have raced in GB. All horses to have current RoR Competition Membership. Horses and riders to have full membership with British Dressage. For horse/rider combinations who are competing at Medium level and above.

Competition period. 1st February – 30th September 2018.

This Award will be judged on nominations.

To enter, please fill in the registration form and submit your relevant results, photos and recommendations to Margaret O'Sullivan by 1st October 2018, mosullivan@ror.org.uk

All submissions will be judged by an independent panel and the winner will be the horse/rider combination who, in the opinion of the panel, has excelled in Dressage at Medium level or above during the qualifying period.
