

## 37. Withdrawals

- Once a competitor's entry has been accepted, it will be assumed that he intends to take part unless he notifies the Organiser to the contrary. Competitors must therefore declare their intention to withdraw, by the time specified in the individual schedules. This will usually be three days before the competition. See Rule 38a (refund of entries).
- Competitors should do their best to avoid withdrawing after the withdrawal date but should it become unavoidable they must ring and notify the organiser immediately.
- Competitors failing to request their times as specified in the schedule may be deemed to have withdrawn (see rule 34(l)).
- Written confirmation of a verbal withdrawal must reach the organiser within seven days of the withdrawal.
- Organisers may report to the Dressage Office, anyone who does not take part yet fails to withdraw in accordance with para (a), (b), (c) & (d) above. Failure to comply with this rule renders the owner/rider liable to a fine of £50.
- Once the test has been completed (i.e. the final halt at the end of the test) it is not permissible to withdraw or retire.

## 38. Refund of entry fees

- No refund will be made to those withdrawing after the Close of Entries.
- Fifty per cent of total entry fees will be returned to those whose withdrawal is received before the Close of Entries, and confirmed in writing within 7 days.
- A full refund will be made for horses which upgrade on or before the Close of Entries, but whose entries are not transferred to classes of a higher grade.
- A full refund will be made for horses put on a waiting list, but not eventually offered a place.
- In the event of a competition being cancelled, Organisers are entitled to retain up to £1.50 per horse, per class. The remainder to be refunded to all entrants, including those who withdrew before the close of entries.
- Competitors on waiting lists who choose to withdraw will have 50% of their total entry fees refunded (see rule 36).

## 39. Hors Concours

Riders wishing to compete 'Hors Concours' in any class, must make this request on their entry form, and obtain permission from the Organiser of the Competition concerned. 'Hors Concours' competitors will not be eligible for any prize or prize money, and their scores need not be shown on the scoreboard. Horse and rider must be registered with British Dressage and must comply with BD rules in all respects apart from eligibility as stated below.

Under no circumstances may a rider declare to be 'Hors Concours' after the class commences. Those riding Hors Concours will not gain any points.

Any Member can compete a registered horse (or registered or unregistered horse in a preliminary class) 'Hors Concours' without any restriction on eligibility for either horse/rider except for PSG and above when Rule 5 (j) applies.

## 40. Prize money and rosettes

The number of prizes given and the amount of prize money, or type of prize if in kind, must be stated in the Schedule and is unrestricted. Once stated, this can only be reduced in the event of entries falling below the minimum scale for rosettes as set out below. If there are no more than two competitors in a class, prize money should only be awarded if the winner has achieved the relevant qualifying score. If "po" (per overall class percentage) is shown in the schedule the prize money is awarded for the whole class, not for each section.

Rosettes must be given to the following scale for competitions but Organisers are encouraged to give more if they wish. Where the classes are split in sections the scale applies per section. Rosettes and prize money for Training Sections will be at the discretion of the Organiser.

### All Grades:

1st	1 – 4 starters
2nd	5 – 8 starters
3rd	9 – 12 starters
4th	13 – 16 starters
5th	17 – 20 starters
6th	21 – 24 starters
7th	25 and over starters

### Prize money will be mandatory from 1 July 2009.

**The amount given for 1st prize must exceed the entry fee, and if entry fees are discounted for groups such as club members, must exceed the highest entry fee charged. Prize money should be given to 3rd place, in relation to the minimum scale, but is not mandatory beyond 3rd even if class entries exceed 12. Prize money may be given per class based on over all percentage, rather than per section. Vouchers/prizes in kind can only be given in addition to prize money.**

Where prize money is given by a National Sponsor, the number of prizes must be awarded as published in the schedules, regardless of the number of starters.

## 41. Prizegivings

Competitors must attend prizegivings, or ensure that they are represented, when requested by the organiser. Failure to attend may entail the forfeiture of prize money, rosettes and other awards.
