

141. General

a) Eligibility for qualifiers

- i. Horses and riders must be eligible for all qualifiers at the close of entries
- ii. Riders must be members of British Dressage in order to gain qualification, except for Combined Training (see rule 169) and Area Festivals (see rule 143).
- iii. Horses may continue to take part in Qualifiers once they have qualified (except Potential International Dressage Horse Championship and Young Horse Championships) but owners/riders must notify the Organiser accordingly.
- iv. If a class is oversubscribed, preference will be given to those not already qualified.
- v. Any class designated as a Championship of any sort may not be used to provide part qualification towards a Summer/Winter Regional Championship.
- vi. Once a rider has been placed in the top 10 with 65% or above in a Prelim or Restricted Novice or Elementary class or placed in the top 5 with 66% or above in a Restricted Medium or Advanced Medium class at the National Championships/Winter Championships they may not **compete** in the Restricted section for that level or below that level in future years. This is effective immediately on gaining **such a placing** and will require any pre-existing qualification to be switched to the open section of the Winter/Summer Regional Championships.
- vii. **Riders who are placed in the top 10 of the Novice Restricted Freestyle and Elementary Restricted Freestyle championships with 68% or more will be required to ride in the Open section of the appropriate freestyle class in future. However their eligibility to ride in the Restricted sections in non-freestyle classes will not be affected.**

b) Eligibility for Summer/Winter Regional Championships and Area Festivals

- i. All horses attending any Championship (including Area Festival from Novice upwards) must be registered with British Dressage. **See rule 143 b vii.**
- ii. Riders must be members of British Dressage in order to compete at any Championship, including Area Festivals.
- iii. Having qualified, horses and riders may compete in all Championships even if they have subsequently upgraded except for Preliminary level (see rule 145) and unless indicated to the contrary by any other qualification rule.
- iv. Entries for the Summer and Winter Regional Championships will only be accepted with a copy of the notification of qualification attached to the entry form.
- v. Riders qualifying one horse for both the Open and Restricted sections at the same level may choose which section they wish to compete in at the Summer and Winter Regional Championships but may not compete in both sections.
- vi. Riders qualifying multiple horses at the same level and having one or more in the Open section must compete them all in the Open section.
- vii. Competitors may choose at which Summer and Winter Regional Championship they compete and may compete in different Regionals if they have qualified more than one horse. The same horse may not compete at the same level at more than one Regional Championship in any one season.
- viii. Restricted riders may not ride in an Open section **at any Championship** at a higher level than they ride in a Restricted section.

- ix. Riders may not ride at Summer/Winter Regionals or Area Festivals at two restricted levels. Those who have qualified at two restricted levels must compete in the Open section at the lower qualified level.
- x. Horses which have qualified directly for the National Championships may not go to the preceding Regional Championships at the same level that year.
- xi. **If there is a change of rider for horses qualified for the Summer or Winter Regional Championships the new rider must be eligible to ride the horse in the section for which it has qualified.**

c) Eligibility for National/Winter Championships

- i. To qualify from a Summer or Winter Regional Championships to the National Championships eligible combinations must gain 65% or above unless awarded a wild card.
- ii. A Rider may not be changed following qualification from Regional Championship to National/Winter Championships or where qualification is direct (eg. Wellington Freestyle Championships) except for all Young Horse classes.
- iii. In the event of a horse being unable to compete at a Championship Show, and providing that the Dressage Office is informed a week before the close of entries for the Championship concerned and wild cards have not yet been issued, the next highest placed competitor from the relevant qualifying Championship will be invited to compete.
- iv. The starting order for Championship Finals will be drawn, and may be drawn in multiple sections depending on the qualification %.
- v. British Dressage reserves the right to offer further places on a "wildcard" system for any British Dressage Championship.
- vi. A horse is only eligible to compete in a maximum of 2 levels at the National/Winter Championships (excluding Young Horse classes). In combined training classes combinations are not allowed to compete in all 3 combined training levels but they may compete in a combined training class and two dressage classes at the Championship. **A combination may compete in two levels at the Combined Training Championship and two levels at the Winter Championships as they are two separate championships.**

d) Other

- i. Whips are not permitted for any Championship classes, including Area Festivals, other than 4 year old Young Horse classes.
- ii. Commanders are not allowed at any Championship, including Area Festivals.
- iii. **Winter Championships mean those classes where riders qualify through the Regional Championships, be they standard or music. The Combined Training is a separate championship with direct qualification and also has the addition of jumping which distinguishes it from standard dressage.**

142. Championships

Cut off dates

There are a series of competitions at all levels which qualify for Summer/Winter Regional Championships (including PSG and Intermediare I).

01 Dec 08 – 30 Jun 09	Qualification for the Summer Regionals 2009

The cut off date for PSG-GP direct qualifications is the 15 August 2009

143. Area festivals

a) Scope of Area Festivals

- i) These Festivals will be run between August and October inclusive
- ii) Classes will be from Preliminary to Prix St Georges level, with Restricted and Open sections from Novice to Advanced Medium level.
- iii) Freestyle to Music Qualifiers will be held at the Area Festivals.
- iv) Area Festivals carry grading points but do not count as qualifiers in anyway (except for the Festival Final).

b) Eligibility for Area Festivals

- i) Qualification for an Area Festival is restricted to individual horse/rider combinations.
- ii) Once qualified for the Area Festival, combinations may compete even if they subsequently upgrade.
- iii) Combinations competing at Winter/Summer Regional Championships will not be eligible for any Area Festivals at that level or below in the same calendar year with the exception of Freestyle to Music classes when they will only lose their eligibility to compete in Area Festivals if they compete at the Winter Championships or Wellington Championships.
- iv) Group 4-8 riders may compete in Area Festivals up to and including Advanced Medium level, depending on their eligibility. Only Group 7 & 8 riders may compete at Prelim level. Group 3 riders may only compete at Novice and above. Group 2 riders may only compete at Advanced Medium level and above. Group 1 and 2A riders may not enter Area Festivals at any level.
- v) Once a rider has ridden at the National or Winter Championships, they cannot compete at that level or below on another horse in Area Festivals in that year or the following year.
- vi) Non members may qualify at Preliminary level in Preliminary classes that are in the Omnibus schedule. They must be a Group 7 or 8 rider when qualifying ie. not have won more than 14 points at Elementary level or above since 1st April 1994. They must however join British Dressage before entering the Area Festival.
- vii) Horses/ponies need not be registered to enter an Area Festival at Preliminary level but must not have more than 49 points when qualifying. All must be fully registered by the Festival Final.
- viii) Non members may qualify using sheets gained on Class Tickets and Training Classes but both horse and rider must be registered before entering the Area Festival from Novice upwards.

c) Means of qualifying for Area Festivals

- i) All qualifying scores must be gained between 1st January of the calendar year up to the close of entries for the relevant Area Festival
- ii) Qualification at Preliminary to Elementary levels will be by achieving 2 affiliated scores at 62% and above at the same level.
- iii) Qualification from Medium to PSG levels will be by achieving 2 affiliated scores at 60% and above at the same level.
- iv) Competitors in the Channel Islands will be able to qualify with 1 score sheet with the required percentage.
- v) The original sheets must have the date and venue of the class written on them by the competitor and be sent with the entry form as proof of qualification. They will not be returnable. Score sheets from Training sections may be used. Qualifying sheets may only be used once. HC Sheets and freestyle sheets cannot be used.

d) Qualification for Area Festival Finals

- i) The top 2 combinations with 62% and above in Elementary – PSG classes at the Area Festivals will qualify for the Festival Finals. If classes are split then first place from each section will qualify.
- ii) **For Preliminary, Novice Restricted and Novice Open, the top 4 combinations with 62% and above will qualify.**
If the classes are split then the first and second place from each section will qualify.
- iii) Wildcards will be issued after close of entries for the Area Festival Finals to the next highest qualified percentages across all Area Festivals for any class which has not been filled. Entries received after the closing date from pre-qualified combinations will not be accepted once wildcards have been issued.

144. Summary tables for championships qualification

a) Qualification requirements for Summer or Winter Regionals

Preliminary	65%
Novice Restricted	65%
Novice Open	66%
Elementary Restricted	64%
Elementary Open	66%
Medium Restricted and Open	63%
Advanced Medium Restricted and Open	63%
PSG and Intermediare I	6 points in qualifiers with 63%+

b) Qualification requirements for Direct Qualifiers to the National Championships.

For further details see Rules 150-154.

Qualifiers for PSG – GP at Premier Leagues will have special status. At each level there will be two combinations from the show who will qualify directly if they get 65%+. If there is only one qualifier at a level the top two combinations will qualify. If there are two qualifiers each winner will qualify. If a qualifying place is taken by a pre-qualified horse, the qualification will pass down to the next highest placing at 65% or higher.

Likewise the two top placed British Dressage members scoring 65% or more in UK located CDIs will qualify direct to the National Championships.

Otherwise in any qualifiers combinations will have to gain:

Inter II	6 points in qualifiers with 64% +
GP	5 points in qualifiers with 63% +

Horses must be at least 7 years old

162. Pas de Deux or freestyles with more than one competitor

Please refer to the rules relating to the freestyle championship appropriate to the level.

163. Qualification from Regionals to National/Winter Championships and Wild card allocation

- Combinations qualify from Regionals to the National or Winter Championships on a proportional basis. The ratio will depend on the total number qualified at each level as well as the number of starters at each regional. A table showing the ratio of qualifiers to starters and any variation on the proportional qualification basis for a specific class will be displayed at each Regional.
- Wild cards are a means of qualifying for a championship other than gaining qualification at the Winter or Summer Regionals or direct from a Premier League.

When determining the ratio for direct qualification from Regional championships, approximately 20% of the available places at the Nationals are retained for use as wildcards.

- Immediately after the final Winter or Summer Regional Championships those qualified at Preliminary – Advanced Medium are listed and the remaining places in the relevant championship class are filled by the non-qualified competitors with the next highest percentages from across all of the regionals. Wildcards are only distributed after all Championship places have been allocated to those who qualify by right.
- For Prix St Georges and Intermediaire I, wildcards will be offered to non qualified combinations from both Premier Leagues and Regional Championships, with the aim of having approximately 70% of the places available at the National Championships filled from combinations competing at Premier Leagues.
- The Board Reserves the right (Rule 141 (c) v) to offer places for any BD Championship or Regional Championship. This system is used mainly for the higher level classes at the National Championships and for horses that the selectors would like to see in top class competition.

164. Potential International Dressage Horse Championship Qualifying Classes

Qualifying Classes

- There will be approximately fifteen qualifying competitions. In the first rounds, horses will ride in groups of three and their natural paces will be assessed. The top 6-10 (in order of the first round marks) will then return for final Judging. Horses will not be stripped or ridden by the Judges.
- There will be separate sections for four years olds and five year olds.
- The 1st and 2nd with scores of 6.5 or over from each section will go forward to the Final at the National Dressage Championships where they will be pre-judged in the morning and the top 10 will go through to the final judging in the main arena.
- Once a horse has qualified it may not start in any further Qualifiers.
- To enter horses must exceed 14.2 h.h. and be 4 or 5 years old. For the qualifying classes horses need not be registered with British Dressage.
- Horses which have, at the close of entries, won grading points at Medium level are not eligible to compete in these qualifiers.

m) Penalties

First Disobedience	4 penalties
Second Disobedience in whole test	Elimination
Knocking down an obstacle	4 penalties
First fall of competitor	Elimination
First fall of horse	Elimination
For every commenced second in excess of the Time Allowed	1 penalty
Exceeding the Time Limit	Elimination

n) Scoring

The marks for the Dressage Phase are totalled in the normal manner, but if there is more than one Judge, their scores are averaged.

Any faults incurred in the Jumping Phase are deducted from the marks awarded for the Dressage Phase.

o) Equality

If the final score gives equality of marks to two or more competitors, the classification is decided by the highest marks for the dressage test. If there is still equality, the fastest time in the jumping test determines the result.

p) Saddlery

Dressage – According to Dressage Rules.

Jumping – According to B.S.J.A. Rules except that standing martingales and Market Harboroughs are not allowed.

q) Dress

According to British Dressage Rules, except during the show jumping phase a hard hat of BSI standard must be worn, with its harness correctly fastened and with a black or navy blue cover, or alternatively a PAS5015. This rule also applies when jumping practice obstacles.

173. Para Equestrian competitions for riders with classification of I-IV

All competitions are run under FEI rules, unless otherwise stated.

- a) Commanders may only be used in accordance with the FEI PE rules. Riders with intellectual impairment, visual impairment or head injuries may use a commander. Commanders are permitted in the Restricted section of Para competitions, but are only permitted in the Open section if marked as a dispensation on the rider's card. Please refer to Rule 174 c) for details for blind riders.
- b) For Para Competitors, a copy of the classification card/letter issued by FEI PE/RDA must be sent with the entry. Riders must always compete with a current card/letter on their person in case of any query. It is the rider's responsibility to ensure their cards are current and have all compensating aids listed.
- c) **For BD able bodied competitions all current FEI cards and RDA letters are accepted to provide dispensation. A copy of the formal dispensation must be sent with the entry form. Any rider not currently classified should contact the Paralympic Officer in the BD office. Applications for dispensation in BD able-bodied classes must be made as per rule 79.**
- d) Whilst all disabled persons are welcome to compete in affiliated competitions, it is the responsibility of the rider to ascertain (before entering) whether the venue's facilities are suitable for their individual requirements.
- e) Riders who have represented Great Britain in International competition or have competed in the KBIS National Championships in the past 2 years must compete in the Open section of the class. They may compete HC in the Restricted section with permission from the organiser.
- f) **The restricted section is open to any rider with classification (member or non-member, riding a registered or unregistered horse), unless they have competed as above. Restricted riders may also compete in open classes, if they are not members they would need to do so on a class ticket.**
- g) **If a rider is removed from a World Class programme they may compete in restricted classes the following year.**
- h) **Following a rider's re-classification to a higher grade, they may compete in restricted classes even if they were previously on a World Class programme.**

When the signal to commence the test is given the rider may start the test from inside or outside the arena.
- c) Commanders are permitted for Riders with visual impairment who are classified as B1 Grade III (totally blind riders). They are required to ride with blindfolds. If riders do not wear blindfolds they must ride in Grade IV.
- d) Riders may have up to nine callers with the senior caller communicating with the judge at C. Only one caller is allowed inside the arena, the others must stand outside. Callers must make sure they do not restrict the vision of the Judges. The rider is also allowed a commander in addition to the above.

175. Visually impaired riders B2 – grade IV

For those who are visually impaired and classified as Grade IV the arena may not be fully enclosed. Riders may use their own large letters if they wish but will be required to compete at the start or the end of the class. Riders wishing to do this must inform the organiser and are responsible for co-ordinating this with the organiser.

176. Horses used for Para Equestrian competitions

- a) Horses competed by Grade I and II riders may be trained/schooled by a designated rider other than the competitor for up to twenty minutes on the day of the competition but may only be ridden by the competitor in the 15 minutes preceding the test. However, these horses may be ridden on a comfortable safe rein for fifteen minutes at any time during the warm up period even if that period is within 15 minutes of the test, by the designated rider.
- b) Horses owned by BD members and loaned for the day for a disabled rider may be ridden in another affiliated class by its regular rider on the same day.
- c) All grades may use double bridles, with the exception of riders in Grade I and II in the restricted class.
- d) Riders may share a horse provided they are competing in different grades.

177. National qualifiers for Para Equestrian dressage riders

KBIS

There will be four regional competitions and the four riders with the highest percentages overall in each grade will qualify for the final BD National Championships (Grade I will be split between 1a and 1b). All riders must be a minimum of 14 years old and qualify with a minimum score of 60%. If the numbers qualified for any grade fall below four, wildcards will be issued to the next highest qualifying percentage over the remaining grades.

Should there be a space in the KBIS class the rider with the next highest percentage from across all qualifiers, regardless of grade, will be invited to compete.

The maximum number of riders competing in the Championships is 20. The competition is for International and future International riders. It is the rider who qualifies and the horse may be substituted. The qualifiers are open to all riders with FEI PE/RDA classification cards. Riders at Championships must be members of BD. In the event of a rider being unable to compete at the Championships, BD must be notified a week prior to the close of entries, the next highest percentage will qualify.

178. Para Equestrian winter qualifiers

The winner of each class will qualify for the Para Winter Championships, providing they achieve 60% and over. Wild cards will be allocated to the rider(s) with the highest percentage across all qualifiers regardless of grade.

Riders must inform the British Dressage office if they are not intending to compete in the Championships so qualifications can be passed to the next eligible rider.

179. Para Equestrian spring qualifiers

The top 20 riders with the highest percentages across all qualifiers will qualify for the Spring Championships. Riders will be notified of their qualification from the British Dressage office.

Riders must inform the British Dressage office if they are not intending to compete in the Championships so qualifications can be passed to the next eligible rider.
