## Morris Equestrian Centre Winter Regional Championships 2018 What do the stats say?

# Scotland region

*Borders - Dumfries & Galloway - Fife - Grampian - Highlands  
Lothian - Central Scotland - Strathclyde - Tayside*

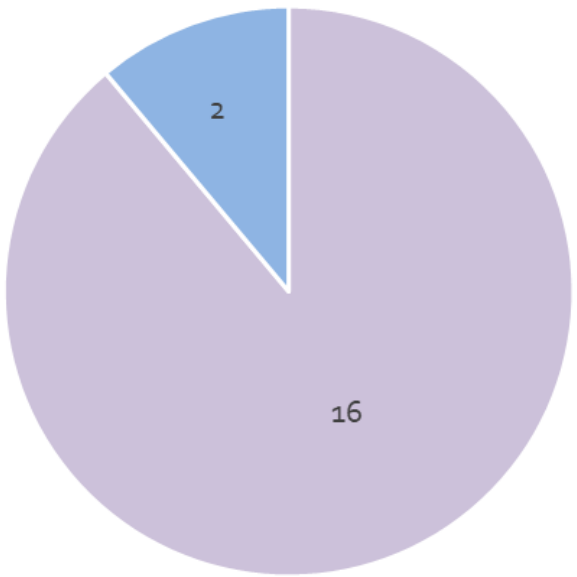

# Scotland region

*Borders - Dumfries & Galloway - Fife - Grampian - Highlands  
Lothian - Central Scotland - Strathclyde - Tayside*

## GENDER COMPARISON

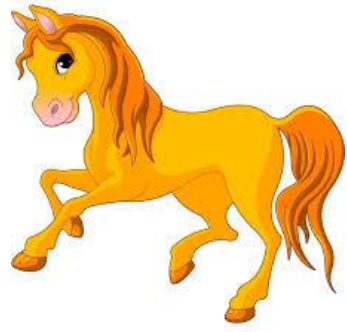

■ Titles won by women ■ Titles won by men

From 165 starters  
11 tests were  
ridden by men

93% of tests were  
ridden by women

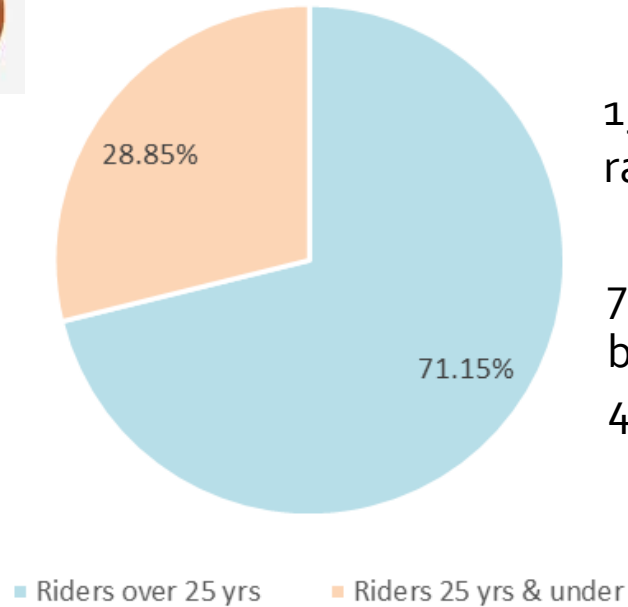

# Scotland region

*Borders - Dumfries & Galloway - Fife - Grampian - Highlands  
Lothian - Central Scotland - Strathclyde - Tayside*

## AGE COMPARISON

Riders ranked in the top three

15 riders 25 yrs & under ranked in the top 3

7 championship titles won by riders 25 yrs & under - 40% of classes!

## What it takes.....

Our sport is reliant upon many volunteers giving up their time to ensure competitions can run. As a conservative estimate 370+ hours of effort went into judging, writing, scoring, running, commentating, managing the venue and administering the event. Put another way that is 2 hours and 15 mins of effort expended per test ridden.....WOW!

**Thank You!!!**

<b>Total Hours of effort</b>	<b>373.5</b>	
Effort per test	2.26	

**TOTAL MANHOUR EFFORT PER TEST**

**2 HOURS AND 15 MINUTES**

Well done to every rider that qualified to compete at the Winter Regional Championships and good luck to all the Scottish members making the long trip south to Hartpury for the Winter Dressage Championships.

**THANK YOU** to every volunteer who gave up their time to make this competition happen!
